CBRN-Analysis – Windows 11 Display Compatibility

Tutorial Slide Pack

Windows Display Settings:

Windows 11 and CBRN-Analysis? In short:

- Some Laptops with Windows 11 installed can display CBRN-Analysis incorrectly due to internal display settings within Windows 11.

If CBRN-Analysis isn't displaying correctly, what should I do?

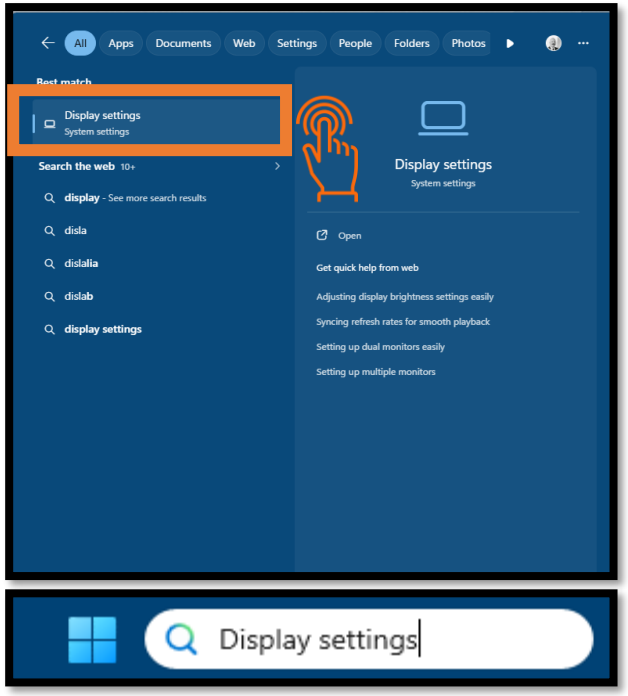

- Adjust the Display Resolution (Windows 11) to the recommended settings
- Check that 'Microsoft Sans Serif' is installed within Personalisation-Font
- Adjust Font size (Windows 11), Accessibility-Text Size
- Adjust CBRN-Analysis Properties (may require Admin rights)

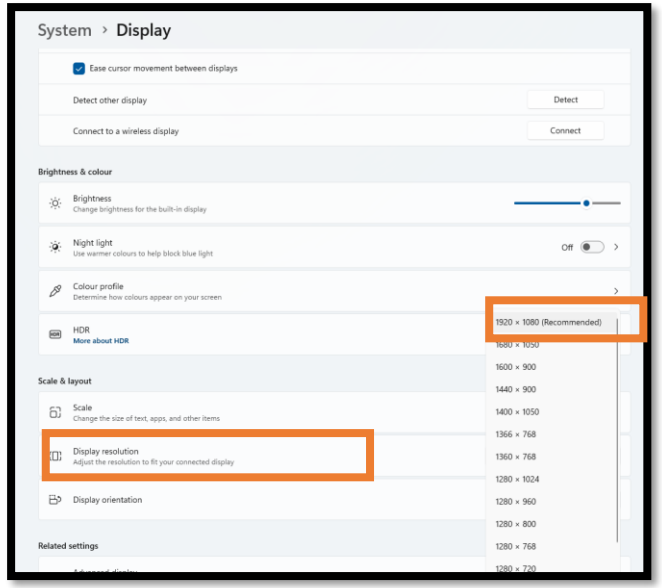

Warning: In some cases, you may need administrator rights to access some properties within Windows 11

CBRN-Analysis Properties cont’d

1. Right-click on the CBRN-Analysis Icon
2. Select Properties
3. Select ‘Compatibility Tab’
4. Run ‘Compatibility Troubleshooter’
5. Apply the suggested format; this may take some testing and adjusting to ensure CBRN-Analysis displays correctly.
6. If this fails, you can select Compatibility mode ‘Windows XP (Service Pack 3)’
7. You may have to ‘Change high DPI Scaling settings’ if this has not fixed the issue
