The Training Universe

All our training elements are value-added services that enhance our products—they are not standalone products themselves. The goal is to enable our customers to realise the full potential of our solutions and achieve greater success in their operational context.

Introducing Moodle (LMS) = The new CAMPUS

Empowering Campus Ambitions

The platform supports our vision by providing advanced tools and features that help achieve CAMPUS goals and innovation.

Enhanced Training and Collaboration

Moodle offers improved training experiences and enables seamless collaboration, setting a foundation for future learning and development.

Globally Recognized Platform

Moodle is a trusted and widely used LMS adopted by educational and military organizations worldwide for its reliability and versatility.

CAMPUS as an online community

Vision:

- The vision is to create a dynamic, interactive knowledge hub for CBRN professionals and customers—a central place for learning, sharing, and engaging with our products and community

Key Features (centred around product pages):

- Learning & Resources:
 - Basic tutorial videos and guides
- Engagement:
 - News & updates, Forums & discussion boards, Sign-up for webinars and CIWG, Gamification elements (badges, points, leaderboards, and rewards to recognize and motivate active participation and learning within the community)
- Exclusive-access content
 - Self-paced micro learning courses, Advanced guides, Premade CAX/SIM scenarios

What to expect:

- Onboard 3rd instructor 2026
- Host first online course 2026 on new platform
- Production of self-paced learning content as “exclusive access”
