Destination Groups as W&R Plan

The General Destination Database will normally only contain the known CBRN Centre - based on the OR-BAT

Identifier	Description
101 NATO JTF CMDO	101 Joint Task Force Command
301 NATO LAND CMDO	301 NATO Land Component Command and ZCC Land
401 NATO NAVAL CMDO	401 NATO Maritime Component Command and ZCC Sea
501 NATO AIR CMDO	501 NATO Air Component Command
702 NATO MN BN	702 NATO Multinational Battalion
DEU 310 DIVISION	310 Division GE/NL Corps
DEU 311 BRIGADE	311 DEU Brigade
DEU 312 BRIGADE	312 DEU Brigade
DEU 313 BRIGADE	313 DEU Brigade

When this database is received from the originating agency the unit must include the unit's own destinations such as CBRNO, CDR, Battalions etc. because this information is different from unit to unit and therefore not part of the general destination database

Destination Groups as W&R Plan

- Fill in the local destinations e.g. own sub units via mail etc.

GBR 422 NAVAL AIRBASE	422 GBR Naval Airbase
GBR 504 AIR BASE	504 GBR Air Base
GBR 506 AIR BASE	506 GBR Air Base
